**DETAILED ACTION**

***Allowable Subject Matter***

Claims 1, 16 and 22 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner agrees with the argument set forth by applicant, that claim 1 as amended now reads over the prior art, especially including a circuit board that has protrusions on each end that extend into holes formed on both sections of the tubular sheath.

Claims 16 and 22 are allowed because of its dependency upon claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John A. Ward whose telephone number is 571-272-2386. The examiner can normally be reached on Monday - Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sandra O'Shea can be reached on 571-272-2378. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
